

2011 TEAM INDIANA SUMMER CAMP COLLEGE STAFF

LAUREN RAFDAL, Ass't Camp Director University of Toledo

My name is Lauren Rafdal and I will be a sophomore outside hitter for the University of Toledo Rockets. I started varsity for Brebeuf Jesuit Preparatory School for four years and led the team to three state tournament appearances. My senior year Brebeuf won state and I received the Indianapolis Star player of the year and was named All-American. I have played five club seasons at Team Indiana. For the 18-1 Defiance, we came in 3rd place in the Open Division at Nationals. As a freshman at Toledo I was a six rotation starter and led the team in kills, and points per set. I was also awarded MAC All-Tournament team honors.

I am very excited to be working camps at TEAM INDIANA because it is like a second home to me. I grew up playing volleyball here and the TI coaches taught me everything I know. I love seeing younger girls play and love the game of volleyball like I do!

SARAH DOOMS
Valparaiso University

I started playing volleyball in 5th grade at school. I played on the freshmen team and then the JV team at Center Grove High School before making the commitment to play club my sophomore year at TEAM INDIANA after which I played two years of varsity. My senior year we won Regionals.

I was on Kristin Ahaus's 16-2s team where we finished 5th at Nationals. I then played on Michelle Coleman's 17-1s team and my last year of club was with Sara Marshall and Dave Englert on the 18-1s team where we finished 3rd at Nationals.

I currently attend Valparaiso University where I am an outside hitter and play middle back defense. I was All-State and an Indiana All-Star my senior year of high school and was awarded the IHSAA Mental Attitude Award. We are a part of the Horizon League and have had 20+ wins the last nine years. I was fortunate enough to play each match and was a part of the All-Newcomer Team.

I am instructing at these camps because I absolutely love volleyball. I am a bit of a perfectionist and I really enjoy teaching things the right way and giving young athletes an opportunity to practice them as well as being able to explain things in ways that they understand. I had a wonderful experience at TEAM INDIANA and owe the development of my game and skills to the coaches I had there. Working these camps allows me to give back in a small way to a place that gave me so much.

KAYLA HELDMAN
University of Southern Indiana

I have been playing volleyball since the fourth grade and played club for five years.

I am currently a sophomore and a libero/DS for the University of Southern Indiana.

I believe that you must challenge yourself and never be satisfied with where you're at.

I am working the summer camps at TI to help the campers learn the skills of volleyball in order to find passion for the game.

ADRIA PRYOR
University of Toledo

My name is Adria Pryor and I am a setter for the University of Toledo. I started playing volleyball in third grade through camps at Center Grove High School. I was on the first team in both seventh and eighth grade. Once I got to high school, I was on the freshman team my first year and then played varsity for the next three years. I started club volleyball when I was 14 and came to TEAM INDIANA for my 15's year forward. I wasn't on the 1's team until my 17s year, which goes to show that every team matters and that not only the top teams are the collegiate level athletes.

I would have to say that for volleyball the number one thing you have to do is love the sport. If you love it, you will be willing to put in the extra work to get where you need to be. Learning to enjoy the process of getting better will make every day in volleyball new and exciting.

I am instructing at TEAM INDIANA summer camps so that I can be a mentor for young players. I looked up to every single older player and learned things from them that I will never forget. I want to be able to provide that for younger players today.
